Replace our logo with yours using Wausau Paper's custom imprint program. We offer towel, tissue and soap dispensers personalized with your organization's logo for a unique and coordinated washroom.

IMPRINT PROCESS

Your organization's logo is printed on the front of each dispenser using high-quality pad printing. Custom pad printing produces precise characters and fine details for a professional appearance.

RECOMMENDED IMPRINT COLORS

Dispenser Color	Imprint Color
	White
	White, Gold, Silver, Yellow or Orange
	Most dark colors are acceptable

Custom imprints are available in one color only. Please provide the specific PMS (Pantone Matching System) for the color desired. If a PMS color is not available, we will help identify an appropriate PMS color choice.

CAMERA-READY ARTWORK OF YOUR LOGO

Preferred:

- EPS, AI or PDF file format (vector image)

Accepted:

- High resolution JPEG, TIFF or GIF file format (300 DPI or greater)

MINIMUM ORDER QUANTITY

The minimum order quantity is 1 pallet. The pallet quantity varies by dispenser model.

- Order in full pallet quantities only
- Colors and models cannot be mixed or combined to meet order quantities

ORDERING CUSTOM IMPRINTED DISPENSERS

1. Provide your Wausau Paper sales representative with the following:

- Dispenser color you are interested in
- Logo requirements: Logo color (PMS) and camera-ready artwork

2. Wausau Paper will create a Custom Imprint Artwork Approval Form and mock-up images of the dispensers for your approval. Once reviewed, return the approved form to Wausau Paper.

3. Place your dispenser order with your customer service representative and specify the logo name on your order.

LEAD TIME

The lead time is 4-6 weeks after an order is placed and the approved Custom Imprint Artwork Approval Form is received. Please note that pad printing requires custom production parts, so we must receive both the order and the approved Custom Imprint Artwork Approval Form before beginning the process. Once an order has been approved and processed, no changes can be made.

NOTE: The customer is responsible for notifying Wausau Paper of any future logo changes by supplying the updated version of the logo and requesting an updated Custom Imprint Artwork Approval Form.

Availability and specifications are subject to change.
